In case of a tie in score, then seconds under course time will be weighted as follows in determining HIT. Novice Preferred: Seconds under course time multiplied by 1 Open Preferred: Seconds under course time multiplied by 2 Excellent/Master Preferred: Seconds under course time multiplied by 3. Novice: Seconds under course time multiplied by 2 with 5 points added Open: Seconds under course time multiplied by 3 with 5 points added Excellent/Master: Seconds under course time multiplied by 4 with 5 points added. The largest calculated SCT will be used when comparing dogs

jumping different heights who have competed against each other in a class at the same level of skill.

**Dogs Eligible to Enter** Siberian Husky only. dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) number must be spayed or neutered in order to compete. Wherever the word “dog” is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog’s physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under six months of age are strictly prohibited from the trial grounds.

No more than 10 entries allowed per envelope. Express Mail entries (although not necessary) must waive “acceptance signature requirement”. Entry form changes, corrections or cancellations must be done in writing before the July 27, 2022 closing date. Exhibitors are responsible for complete, accurate and legible information on entry forms. Entries must include the AKC agreement.

**Measuring and Height Card Information** When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List.

Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24” height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor’s responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

**Height Divisions** Judges reserve the right to measure dogs without a valid height card. Dogs may not enter both Regular and Preferred classes for the same set of trials for the weekend.

Dogs that run in a division lower than their proper height will be eliminated. Preferred dogs must run at their measured height.
